

January 4, 2012

Dear Parent/Guardian:

During the past month prior to the Winter Break, the district has been exploring the possibility of reconfiguring W. T. Eich Intermediate School from a seventh through eighth grade school to a sixth through eighth grade middle school beginning with the 2013-2014 school year.

District staff has been meeting with teachers and administrators from W. T. Eich Intermediate School, Stoneridge Elementary School, Sierra Gardens Elementary School, Sargeant Elementary School, and Crestmont Elementary School. We have discussed the impact of this reconfiguration including enrollment implications, facility challenges, and the opportunity to strengthen the academic program for our middle school students.

We have scheduled parent information meetings on the following dates:

Tuesday, January 17, 2012, at Sierra Gardens Elementary School

Thursday, January 19, 2012, at Sargeant Elementary School

Monday, January 23, 2012, at Crestmont Elementary School

Tuesday, January 31, 2012, at Stoneridge Elementary School

All informational meetings will begin at 6:00 p.m. We prefer you attend the meeting scheduled for your school; however, if you are unable to attend on that date, you may attend one of the other meetings that best fits your schedule.

Sincerely,

Richard L. Pierucci
District Superintendent
